Sure-endo

CONTENTS

INTRODUCTION
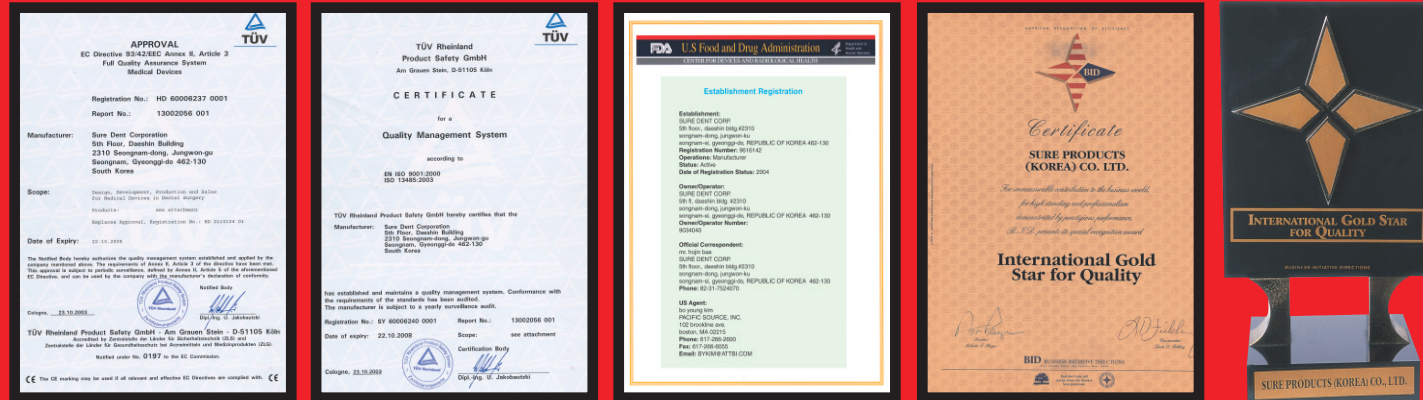

The "Sure-endo" brand was built in 1974 in Korea in response to the needs of dental professionals and has been the leading endodontic points in the dental products lines.

We are the manufacturer in Korea specialized in producing "Sure-endo" brand hand-rolled Gutta Percha points and Absorbent Paper points for the last 30 years and are recognized throughout the profession, by dentists and dealers alike and are proud of our high quality products and reputation for putting the customer first in every area of our operations and we feel that this attitude is one of the most important contributions to our success and to the success of our 80 customers over 60 countries around the world under our brand "Sure-endo" and/or private brand labels as per the request from our customers.

To ensure the quality of our products and services, we have secured certification of ISO9001 / ISO13485, CE Mark by TUV in Germany and registration to FDA and are sure that you will be more than happy to get to know us when you find out endless effort to meet all your needs.
